Wrenfold Middle School: family privacy notice

What we keep

Contact details, enrollment forms, report cards and health notes we need to look after your child, as the Family Educational Rights and Privacy Act (FERPA) allows.

Pictures

No student's name or picture is published without the written consent of a parent or guardian; consent can be withdrawn at any time, and the picture is removed.

How long

Records are kept as state law and the district's records schedule require.

Your rights

You may see your child's records and ask us to correct them. Ask the main office.
